

Case Study | Chiropractic Student Profile

“Studying abroad may seem intimidating and overwhelming but I would recommend it to everyone as it opens the doors for many opportunities, and helps you to grow, develop, and learn to take risks!

“It is once in a lifetime experience that will help anyone to appreciate other cultures and gain a greater understanding of the world!”

Yildiz Akcan, Chiropractic student from Cyprus, shares her story.

Which course are you studying and what year are you in?

“I am in the final year of Master of Chiropractic course, currently working as a student chiropractor at the AECC University College Clinic as part of my internship.”

What drew you to study this subject?

“I have drawn to study chiropractic after benefiting from the care myself and discovering how chiropractic can help people get well and have an improved quality of life! I love helping and working with people and being able to support them in their health journey and seeing them feeling better and happier is just pure joy to me.”

Why did you choose AECC University College?

“I chose to study at AECC University College due to its reputation in delivering high quality chiropractic education and being one of the well-known Chiropractic Colleges in Europe.”

How did you find moving to the UK to study?

“Moving to the UK from Cyprus has been a great experience, specially living on my own abroad for the first time has taught me a lot. I enjoyed making friends from other nationalities. I love the fact that I had the privilege to learn a lot about British culture and its traditions!”

What do you love most about living in Bournemouth / UK?

“I love the idyllic location; I feel so lucky to be only 5 minutes away from the amazing sandy beaches and mesmerizing sea views.”

What would you say to school/college-leavers who are thinking of studying abroad?

“Studying abroad may seem intimidating and overwhelming but I would recommend it to everyone as it opens the doors for many opportunities, and helps you to grow, develop, and learn to take risks!

“It is once in a lifetime experience that will help anyone to appreciate other cultures and gain a greater understanding of the world!”
