

Important information to take into account when choosing your programme

PGCert Professional Development (Chiropractic)

When students are considering applying for the PGCert Professional Development (Chiropractic) course they should be aware of the following:

- Students will study part-time, as the course focuses on professional learning in the workplace and self-directed learning, with support from tutors. After the initial induction there is no formal attendance requirement.
- Students will need to have contact with a mentor, trainer or senior colleague in their workplace.
- For the PGCert Professional Development course the pass mark is 50%

Additional costs

Additional costs' are mandatory or optional costs which students will need to meet in order to fully participate in and complete their course. Students will need to budget for these costs separately as they are not included in the overall Tuition Fee they are charged.

- For the Learning with Others unit students will need to participate in nine separate learning events, which include conference attendance, CPD attendance, healthcare professional observations and meetings with colleagues and peers. Any costs associated with these learning events will need to be met by the student. However if you attend CPD seminars held on campus you will pay a reduced student rate, if available. Information about these seminars, for an indication of costs is available from <http://www.aecc.ac.uk/postgraduate-cpd/cpd-seminars/>
- On successful completion of the course students have the option to attend the graduation ceremony. Students choosing to attend must meet the cost of hiring academic dress for the ceremony; wearing of academic dress at the ceremony is compulsory. The academic dress is provided by an external company. In 2018 the hire cost was £38. There are no other charges to the graduate for the graduation ceremony. However, additional tickets for family members and friends are chargeable at £16.50 per head at 2018 prices.
- There may be other costs for activities which will enhance students' time here but are not directly related to their course. For example, there is an annual fee (currently £60) to join our gym (gym membership is a requirement to join some AECC Students' Union (ASU)/University College sports societies). Some ASU-organised social events and activities through ASU Societies will be at an additional cost.
- You will be provided with transcripts for each year of study along with a diploma supplement and degree certificate upon completion of your course of study. If you

require a replacement of any of these documents there will be a fee payable as set out below:

- Transcript (per academic year): £10
- Degree Certificate: £40
- Diploma Supplement: £10

Where 2018-19 prices are quoted these costs are not expected to increase by any substantial amount for 2019- 20.
